Walshs ProInstall™

Complete glazing solutions

Capability Statement

Walshs ProInstall™

Our Walshs ProInstall™ team pride themselves on quality and service. Let us take care of all aspects of your project with our end-to-end glazing solutions.

We're the **experts in glass** and we're backed by a production team who are the largest glass processor of flat glass in Western Australia. We also have the largest range of glass products in Western Australia which enables our **ProInstall™** team to offer complete glass solutions for developers and builders.

At **Walshs ProInstall™** we have a specialist in-house team of glaziers, project managers and estimators - some with 20+ years' experience in the industry plus a group of subcontractors lined up and ready to tackle your project.

From concept design to project completion, our expert team will ensure you get industry leading quality and service. Put that together with an optimised glazing solution to meet your needs, supplied and installed to the Australian Standards and your project is in safe hands with **Walshs ProInstall™**.

See what we can do for you

About Walshs Glass

Walshs Glass is the largest glass wholesaler in Western Australia. We're proud to be at the forefront of the WA glass industry, servicing the building community as the first-choice supplier of best-in-class glazing products and project solutions.

Our success is built on our people. It's no coincidence that Walshs Glass has been WA's leading glass company for over 50 years. Since 1971, Walshs Glass has aspired to deliver an exceptional customer experience combining high-quality glazing products, reliability in service and the best possible industry advice. We don't just profess to be the experts in glass; we demonstrate it every day.
