

Walshs Sliding Robe Door

The Walshs Sliding Robe Door system is a customisable, high-quality product that will add a touch of luxury to your bedroom or walk in robe.

Choose from an impressive selection of off-the-shelf powdercoat colours to match your space's specific colour scheme. Additional colours are also available upon request in addition to mirrored, white coat, and low iron white coat options to ensure the right look can be achieved.

Walshs Glass also offers a slimline sliding door alternative – perfect for when a more contemporary look is desired or if space is a premium.

Benefits of Walshs Sliding Robe Door

- Rattle-free, whisper quiet roller operation.
- Open design and construction reduce dust accumulation and enables easy cleaning.
- Innovative anti-jump feature ensures panels are perfectly aligned and won't jump out of place.
- Made to suit your individual project requirements.

Available Sizes

- 4mm and 6mm.
