Supplier of the year
2024 AGWA Awards

A Family Business with Over 50 Years of Experience

Walshs Glass is a proud Western Australian family business, founded in 1971 and having now grown into WA's leading name in glass, trusted by generations of customers.

We're Leaders in the Australian Glass Industry

As industry leaders, Walshs Glass combines extensive expertise with innovative solutions. Our customers rely on our advice and product knowledge daily to ensure their projects succeed.

Quality Products and Superior Manufacturing

Using state-of-the-art technology – including European furnacing, processing and advanced automation – we produce premium-quality glass to only the highest standards.

Expert Advice and Responsiveness

Whether it's choosing the right glass for your project or resolving unexpected challenges, our team's expertise, dedication, and responsiveness ensure you have the right solutions exactly when you need them.

Exceptional Customer Service

Our friendly, experienced team is committed to making every interaction seamless. From drivers to production staff, we're dedicated to going the extra mile to help our customers achieve success.

Flexible and Reliable Delivery

We offer frequent delivery to metro and regional WA, including Bunbury and the South West, Great Southern, Geraldton and Kalgoorlie. Our can-do attitude ensures your deadlines are met, even in the most extreme cases.

Our processes are backed by industry-leading audits and certifications

- ✓ **AS/NZS 4666** — Insulating glass units
